GRADING POLICY

Grades for Galena High School students are based on the semester. The semester grade will be composed of two 9-week grading periods (quarter) and the final examination at the conclusion of each semester. In addition, all courses that require an End-of-Course (EOC) exam will also have that score as a part of the semester grade. Grades are designed to represent the level of mastery of each course's objectives. Beginning in the ninth grade, grade point averages and graduation credits are composed and recorded in the permanent record. Progress reports will be sent home at the midway point of every grading period (every 4.5 weeks) and grades will be updated on the parent portal by 3:30 p.m. every Monday during the school year.

GRADING SCALE

Teachers will base all grades on the following percentages of the total points possible.

A	94-100	B+	87-89	B-	80-82	C	73-76	D+	67-69	D-	60-62
A-	90-93	B	83-86	C+	77-79	C-	70-72	D	63-66	F	59-0

Special consideration of individual differences will be acknowledged by the classroom teacher. Special Education students will be graded according to the objectives listed on the Individual Educational Plan (IEP) in accordance with the District's Special Education Compliance Plan (Grading Policy), and will be given a regular High School Diploma at the end of course requirements.

CLASS RANK

The following Grading Scale will be used to determine class rank:

A	4.0	B+	3.33	B-	2.67	C	2.0	D+	1.33	D-	.67
A-	3.67	B	3.0	C+	2.33	C-	1.67	D	1.0	F	0

Dual credit, AP and Honors classes will be weighted and will use the following scale:

A	6.0	B+	5.33	B-	4.01	C	3.0	D+	2.0	D-	1.01

Selection of Valedictorian and Salutatorian will be based on all grades received through the eighth semester of high school. Selection of the eighth grade Valedictorian and Salutatorian will be based on grades through the first semester of the eighth grade year and will be announced at the Senior Awards Banquet.

In addition to the awarding of Valedictorian and Salutatorian and in the interest of encouraging and recognizing outstanding academic achievement, *summa cum laude*, *magna cum laude* and *cum laude* graduates will be honored from each high school graduating class. The *summa cum laude*, *magna cum laude* and *cum laude* graduates will be identified according to the following criterion:

- The *summa cum laude* graduates will be those with a 3.90 or above grade point average as computed at the end of eight (8) semesters of high school coursework.
- The *magna cum laude* graduates will be those with a grade point average between 3.70 and 3.89 as computed at the end of eight (8) semesters of high school coursework.
- The *cum laude* graduates will be those with a grade point average between 3.50 and 3.69 as computer at the end of eight (8) semesters of high school coursework.

Such changes will only be made after careful consideration by teachers, counselors, and administrators. *Schedule changes will only be allowed in the first three days of a semester.*

CAREER TECHNICAL SCHOOL

Galena High School is affiliated with the Omar Gibson Area Career Technical School for students interested in academic vocational programs. Enrollment for this program is open to Juniors and Seniors in good standing (grades, discipline, and attendance). Information is available in the counselor's office.

- GHS students attending classes at Gibson Technical School will be transported by bus to the campus in Reeds Spring. Students MUST travel to and from Gibson in school transportation unless prior arrangements have been made with the building principal AND director of Gibson. Failure to abide by this policy will result in disciplinary action and the potential removal from Gibson Tech.

Galena R-II High will reimburse ACT testing/workshop fees if a student accomplishes one of the following:

- Any student who scores at or above the most recent Missouri ACT average on their first attempt.

Receipts and evidence of the above is required for reimbursement

This is contingent upon the subject meeting all of the following requirements:

- Sign a written participation agreement before graduating from high school;
- Attend a designated A+ School for three consecutive years prior to high school graduation (Students who are active duty military dependents and students who are dependents of retired military personnel who relocated to Missouri within one year of the date of retirements from active duty are excused from this provision if the student attends a designated A+ school in the school year immediately preceding graduation and has met all other eligibility requirements);

The above requirements and scores are subject to change via the Missouri Department of Higher Education for the 2017 graduates and beyond.

The student financial incentive may be available for a period of up to 48 months after high school graduation for a qualifying student and cover the cost of tuition and general fees, until the receipt of an Associate's Degree or the completion of 105% of the required hours for the student's program of study. In order to maintain eligibility while attending a Missouri public community college or vocational/technical school a student must be enrolled on a full-time basis and maintain a GPA of 2.5 or higher.

PROMOTION POLICIES

Junior High students will be promoted from grade to grade at the close of the school year, providing they have satisfactorily met the requirements of that particular grade level of work in at least three of the four core subjects (Social Studies, Science, Math, and Language Arts). Students who make little or no effort to pass their classes, improve themselves educationally, or show no concern about their progress will be retained in the current grade for the coming school year upon the recommendation of the teachers, counselor and principal. Students may choose to attend summer school to recover failed coursework or credit, thereby completing necessary requirements for promotion.

GALENA HIGH SCHOOL ATTENDANCE PROCEDURES

We believe that attendance in school is important. We believe that when a student misses school, regardless of the reason, he/she is missing something of tremendous value. We believe all students need to learn the value of developing a pattern of good attendance and punctuality. Frequent absences of students from the learning experiences disrupt the continuity of the instructional process for everyone. Any student with **8 or more** absences from a particular class is in jeopardy of losing credit for that class. There is no such thing as a completely excused absence, as all absences will affect a student's educational experience to some extent. It is strongly suggested that parents/guardians schedule family events, appointments, and other activities in conformity with the school calendar to avoid disruptions in the learning process for the students.

Any time a student is absent from school, the parent/guardian needs to provide written or verbal documentation/communication/verification in reference to the absence and present it to the main office on or before the day the student returns to school. Any student leaving school early for an appointment or other necessary reason must be signed out by an approved party at the main office. All notified absences will be considered "verified". Students will be allowed one day to make-up any learning for each verified absence.

An “**unexcused**” absence will be recorded for students who are truant, suspended or whose absence is not verified. Students will not be guaranteed additional time to make up learning activities for unexcused absences. Learning activities for unexcused absences may be made up during after-school tutoring, Saturday School, or ISS.

As a school we are obligated to monitor student attendance and report any cases we feel qualify as educational neglect, regardless of whether the absences are verified or unexcused. As a student’s absences accrue, a review of the student’s progress will take place by the Galena High School Success Team. Interventions such as parent conferences, mandating summer school, requiring retention, notifying the Children’s Division and/or Prosecuting Attorney of Stone County will be considered.

Juniors and Seniors are permitted to take college visits during the school years. High School juniors are permitted 1 college visit per year while High School seniors are permitted 2 college visits. College visit forms are available in the High School Counselor’s Office and must be completed BEFORE the visit. Forms must be signed by an authorized representative of the college and returned to the Counselor’s Office. College visits will not count against attendance purposes of semester test exemption.

Students will be permitted 4 hours for completion of their Drivers Test that will not count against attendance for purposes of semester test exemption.

Students who have no absences (including tardies and discipline incidents) in any class for a grading period will be recognized. Students who have had no absences in any class for an entire grading period will have their name entered into a drawing to be held at the end of each grading period.

STUDENT ABSENCES

When a student is absent from school:

1. Parents/guardians should contact the school before 8:30 a.m. at (417) 357-6618 on the day of the absence. A notification phone call will be made to all students marked absent if parent/guardian has not contacted the school.
2. All absences will be considered unexcused until verified by written or verbal documentation by parent/guardian. Absences will become verified following the receipt of appropriate documentation.
3. Students will be responsible for obtaining necessary work to time missed in class.
4. All make-up work should be completed within the same number of days that the student was absent except for tests and long-term assignments (2 weeks or more). These tests and assignments will made up at the teacher’s discretion.
5. Parents are encouraged to notify the office in advance of a professional appointment; medical or dental appointment; or funeral leave so that the student may have time to communicate with their teachers and thus allow for make-up work prior to the absence.
6. Students with unexcused absences may receive credit for their make-up work (except for tests and long-term assignments, which are made up at the teacher’s discretion in accordance with school policy) provided they attend after-school tutoring and/or Saturday School.
7. **Missing THREE or more periods of any one class (verified OR unexcused) during any grading period will result in Loss of Privilege (LOP)**

SEMESTER TEST EXEMPTION POLICY

To encourage regular school attendance of students, Galena High School students that meet identified criteria may have the option of not taking semester exams.

Criteria for Test Exemption Eligibility:

- **Attendance:** Maximum of 16 periods missed for the semester of which no more than 4 can be within 1 class
- **Discipline:** No ISS or OSS during the semester
- **Academic:** (1) Finals are required for all students enrolled in Dual Credit, AP or Weighted (honors) courses.
(2) Students are required to take finals in all courses in which they are receiving a grade of C- or lower.
- **Encumbrances/Fines:** All fines, fees, and class dues MUST be paid and all materials checked out from the library returned

Students that meet the criteria for Test Exemption must complete the Test Exemption form. (Test exemption is a decision to be made by the individual student and his/her parent/guardian).

Students who are test exempt may choose to take selected finals to attempt to raise their grade. In such cases the student's grade cannot be lowered as a result of taking the semester exam(s).

All absences will count against Test Exemption EXCEPT:

- School sponsored activities
- Pre-arranged in advance college visits or military processing (2 days per year)
- Driver's Test (4 periods with verification)
- Court appearance with verification of a subpoena (1 day per year)

To be eligible for Test Exemption, students must be enrolled throughout the duration of the semester as a FULL-TIME student. Students who are designated as homebound, enroll late, or transfer in during the semester are not eligible for semester Test Exemption.

Five (5) tardies for the semester to a class will eliminate the semester Test Exemption.

Semester exams will only be administered during the scheduled time. Students will not be allowed to take semester exams early unless approved by the administration with prior notification by parent/guardian. Make-up Semester Exams for verified absences will be made up at the teacher's discretion.

Semester exams will not be averaged into the student's overall grade if the student is Test Exempt.

VERIFIED ABSENCES DO COUNT AS AN ABSENCE AGAINST SEMESTER TEST EXEMPTION!

ARRIVAL TO SCHOOL

- When students arrive by car in the morning, they must exit their vehicle immediately, and enter the building. No students will loiter or gather outside the building (or in the parking area) before or after school.
- Students are to report immediately to the cafeteria to eat breakfast. Students will be allowed access to the library for silent reading and study before school. Students will only be allowed into classrooms with prior permission from teachers.
- Students will not be allowed to leave the building during the school day, without permission from the office.
- Students arriving late to school must check in with the main office. Students arriving less than 16 minutes late will be considered Tardy to their 1st period class. Students arriving more than 16 minutes late to school without a verification from parent/guardian will be considered truant and subject to disciplinary action.

AFTER SCHOOL

No students should remain on campus after 3:35 pm unless under direct supervision of a teacher. This includes students waiting for sporting events or activities. Prior arrangements must be made with the coach or director if the student intends to remain on campus. Exterior doors will be locked after 3:35 pm.

CHECK OUT

Parents/guardians may sign out their student through the High School Office. Other family members must have signed permission of the parent, on file in the office, to remove a student from school.

CLOSED CAMPUS

Galena has a closed campus. Students are not to leave campus without checking out through the office. Students who ride the bus to school are considered on campus when their bus arrives at school. Students who leave campus during the school day without permission and without signing out in the office are considered truant. Students are not allowed to leave campus for lunch.

COMPULSORY SCHOOL ATTENDANCE

The Compulsory School Attendance law states that any parent, guardian or other person having custody or control of a child between the ages of 7 and 17, must ensure that the child is enrolled in and regularly attends public, private, parochial school, home school or a combination of schools for the full term of the school year. Subject to specific State requirements the following are exceptions: (1) a child that is determined mentally or physically incapacitated may be excused from attendance, (2) a child between 14 and 17, when excused by the Superintendent or the Court when the child has necessarily and lawfully obtained employment.

The Galena R-II School District employs numerous educational settings to ensure the success of all students. Therefore, the District reserves the right to refuse GED consent until all District utilized avenues have been exhausted.

DISCIPLINE GUIDELINES

The basic, fundamental rule at Galena High School is that **No student will interfere with the learning, health, safety, general welfare, or property of another.**

The School Administration will be firm, fair and consistent in dealing with student discipline issues. Administrators reserve the right in certain cases to defer initial discipline steps and proceed to more severe disciplinary action. All policies outlined are enforced during school hours, before and after school, and at ALL school activities, both home and away. Galena R-II Schools discipline policies are also extended to activities away from the school building or outside of school hours if the incident creates a disruption to the school or causes a detrimental effect on school activities, students or employees.

The following are some, but not all, of the methods used as Galena High School regarding the discipline of students. These discipline measures may be used by the administration in an effort to change inappropriate behavior.

LOSS OF PRIVILEGE (LOP)

Students who lose their privilege will be required to stay in their assigned classroom during Advisory (8th Hour) and will not have access to any of the privileges described in the Advisory section of the handbook. Any student receiving ISS will also receive LOP for the remainder of the grading period. Any students receiving OSS will receive LOP for the remainder of the academic year.

LUNCH-ROOM DETENTION (LRD)

- Students assigned Lunch-Room Detention will eat their lunch away from remainder of classmates during their assigned lunch shift. Any disciplinary action involving LRD that occurs BEFORE lunch will be immediately served that day. Any action AFTER lunch has been served will be carried out the next day school is in session.
- LRD will take place on the stage in the cafeteria/commons areas and will be under the supervision of the ISS instructor, principal, or other designee.
- All students assigned LRD will complete an LRD self-evaluation and parent/guardian information form BEFORE being dismissed from LRD regardless of the number of days assigned.

IN-SCHOOL SUSPENSION (ISS)

- Students must work at all times on appropriate subject matter. Students assigned to ISS will report to the office at 8:11 a.m. Assignments will be collected by the office, and should be completed daily. They will be returned to classroom teacher for full academic credit at the end of the day.
- Textbooks, paper, and pencil must be with the student when he/she arrives at the office. Students will NOT be allowed to use lockers from 8:15 a.m. to 3:19 p.m.
- Students will avoid talking or communicating in any way (verbally or non-verbally) with other students while in ISS, lunch, hallways, and restrooms.
- Students will receive only one warning in ISS for violating a rule. Any rules violations after a warning will result in a discipline notice and additional ISS or OSS days.
- Students are not eligible to attend extra-curricular activities while serving ISS. **Students will become eligible for activities once they have completed their NEXT academic day following a suspension.**
- Students not fulfilling their ISS due to absence or misbehavior may be assigned OSS for an equal or greater number of days than were the original number of ISS days assigned.
- All students assigned ISS will complete an ISS self-evaluation and parent/guardian information form BEFORE being dismissed from ISS regardless of the number of days assigned.

OUT OF SCHOOL SUSPENSION (OSS)

School district administration may remove a student from his present school setting due to violation of school rules and regulations, conduct which materially or substantially disrupts the rights of others to an education, or conduct which endangers the student, other students, or the property of the school. This action will be taken in accordance with due process policy, and with due regard for the welfare of both the individual and the school. School attendance may be temporarily denied to individuals by the administrative act of summary suspension, and during events or offenses that require administrative investigation. Students assigned OSS will not be permitted on school grounds throughout the entirety of their suspension.

The student's parent/guardian will be notified of the suspension action taken by the administration. Such notice may be oral or in writing. Students receiving an out-of-school suspension (OSS) may receive up to 100% credit for any work missed during the OSS by attending Tuesday/Thursday tutoring OR Saturday school. **Students may not attend or participate in any school-sponsored activities from the time OSS is assigned, until the completion of the NEXT academic day following completion of the OSS.**

DEPRIVATION OF PRIVILEGES

Extracurricular activities are special privileges offered to enhance the student's overall learning experience. Other benefits, such as driving to school, riding buses to and from home are also privileges, not rights. Any or all of these privileges may be revoked. Action taken and results are recorded in the administrative log.

EXPULSION

The Board of Education may originate suspension or expulsion proceedings on its own motion for pupil conduct which is deemed prejudicial to good order and discipline in the schools, or which tends to impair the morale or good conduct of the pupils. Only the School Board has the authority to expel a student from school. The Board's Policy Manual outlines the procedures for conducting an expulsion hearing with the right of an expulsion candidate.

Students are not to switch buses without authorization.

EXTRACURRICULAR AND ATHLETIC ACTIVITIES

INTRODUCTION

This handbook is provided to the student athletes to help them understand and meet the goals and objectives of Galena athletic programs. Any questions about a particular activity should be directed towards the coach/sponsor of the sport. This handbook is a general guideline and should be used as such. Each individual coach/sponsor will have the authority to establish his/her own expectations, guidelines and rules per individual program. It should always be remembered that extracurricular activities should function for the student body, as part of the total curriculum. It should be remembered that interscholastic sports are extracurricular and are not a substitute for a strong academic program. Additionally, participation in extracurricular activities is a privilege, not a right.

PHILOSOPHY

The Board of Education believes that individual students shall have opportunities to grow physically and intellectually through experience in self-discipline and contribution to a team effort made possible through competitive interscholastic athletics. An interscholastic athletic program shall be conducted in the school district to further the development of students as competitors and spectators through friendly interscholastic contests. Due to the nature of society, an individual must understand the need for rules, laws, and regulations in allowing our citizens freedom to remain secure. The coaches/sponsors instill in the athletes the understanding that self-discipline is a necessary quality in the development of a citizen's character and work habits. It should be stressed that good observance of training rules must come from within the athlete. The rules cannot be forced upon the player by the coach. If an individual of the Galena athletic program is caught by a coach, administrator, faculty member, or law official breaking these rules, the coach will be forced to discipline the player in the best interest of the team, school, and the individual involved.

PURPOSE

The purpose of the athletic program is to provide experiences that enable the student to achieve established educational objectives. Outlined below are some of the desirable educational goals to be achieved through participation in athletics.

GALENA HIGH SCHOOL STUDENT ELIGIBILITY STANDARDS

Students choosing to participate in a school activity must meet the eligibility standards set forth by the Missouri State High School Activities Association (MSHSAA) in addition to the following local school policy guidelines.

ACADEMIC REQUIREMENTS

1. Students must maintain at least a C average (2.0 cumulative GPA) in the classroom.
2. Students must have earned a 2.0 GPA on a 4.0 scale during the previous grading period/semester.
3. If a student receives an "F" or their GPA is below 2.0 at the end of any quarter he/she will be placed on academic probation for the next two weeks. During this time the student will be expected to attend and participate in all activities associated with the sport/activity. If the student is no longer receiving an "F" at the end of the two-week period they will be completely reinstated. If the grade remains an "F", they will be ineligible for the remainder of the quarter. They will be required to abide by all team rules, attend all contests, sit with the team in dress clothes, but may not participate in contest events.
4. Students must attend a minimum of 4 class periods to be eligible to participate in practice or contest events held that day, unless approved by the administration prior to the event.
5. Students must have earned a minimum of 3.0 credits during the previous semester.
6. Students that qualify may attend summer school to earn a credit toward eligibility in a subject area required for graduation.
7. All 7th grade students entering Galena Middle School for the first time are eligible during their first semester.
8. All 9th grade students entering Galena High School for the first time are eligible during their first semester.
9. Special education students must be making standard progress at their level of ability to be eligible. The student's grade is to be determined jointly by the special education teacher and the regular classroom teacher.

CITIZENSHIP STANDARDS

Students who represent themselves and the school in school activities should exemplify good citizenship. Students are expected to work in a cooperative effort with those involved in an activity. They should obey all school rules and regulations. Students, who do not, will be removed from the activity. Athletes will receive a team contract and citizenship form for each sport in which they participate. Athletes and parents will be required to sign and return contract and forms prior to participation in the sport.

1. Students, while under the auspices of school domain, who are guilty of the use or misuse, possession, distribution, transfer and/or sale of tobacco, alcohol, narcotic, or noxious substances, prescription drugs, counterfeit drugs, drug paraphernalia, depressants, stimulants, or hallucinogens of any type shall be ruled ineligible to represent the school in any extracurricular activities for at least a semester.
2. A student who is guilty of a law violation will not be considered a creditable citizen. The student will be subject to a penalty/suspension, immediately following the infraction, in proportion to the degree of the offense. This penalty will be determined by the coach/sponsor, athletic director, and building principal. Additionally, according to MSHSAA By-Law 212 a

student will not be considered eligible until all matters have been concluded within the legal system and all fines and/or penalties have been satisfied.

SPECIFIC RULES FOR EACH ACTIVITY

Each coach, director, or sponsor will have specific rules and expectations for an activity. Because of club by-laws, constitutions, physical conditioning or training, safety procedures, tryouts, and practices, it is necessary for coaches, directors, or sponsors to design specific regulations to accommodate the variables in each activity. Players and parents will be made aware of these rules and procedures at a pre-season meeting held by the Coach of that particular sport and the Athletic Director. Attendance is expected.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

INDIVIDUALS WITH DISABILITIES EDUCATION ACT-PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, highly mobile children, such as migrant and homeless children, and children who are suspected of having a disability.

The Galena R-II school district assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. The Galena R-II school district assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Galena R-II school district has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education provision Act (GEPA). This plan may be reviewed during regular school hours (8a.m. - 4p.m.) on days school is in session, in the Office of the Superintendent of Schools.

Local school districts in the State of Missouri are required to conduct an annual census of all children with disabilities or suspected disabilities from birth to age twenty-one (21) that reside in the district. This census must be compiled by December 1 of each year. This information is treated as confidential and must include: name of the child; parent/legal guardian's name/address; birth date and age of the child; the child's disability; and the services provided to the child. If you have a child with a disability or know of a child with a disability who is not attending the public school, please contact Coordinator of Special Education at 417-357-6027.

This notice will be provided in native languages as appropriate.

PROHIBITION AGAINST DISCRIMINATION

The Galena R-II School District Board of Education is committed to maintaining a workplace and educational environment that is free from illegal discrimination or harassment in admission or access to, or treatment or employment in, its programs, activities and facilities. Discrimination or harassment against employees, students or others on the basis of race, color, religion, sex, national origin, ancestry, disability, age or any other characteristic protected by law is strictly prohibited in accordance with law. The Galena R-II School District is an equal opportunity employer. Students, employees and others will not be disciplined for speech in circumstances where it is protected by law.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98) applies to programs that receive funding from the U.S. Department of Education (ED). PPRA is intended to protect the rights of parents and students in two ways:

- It seeks to ensure that schools and contractors make instructional materials available for inspection by parents if those materials will be used in connection with an ED-funded survey, analysis, or evaluation in which their children participate; and
- It seeks to ensure that schools and contractors obtain written parental consent before minor students are required to participate in any ED-funded survey, analysis, or evaluation that reveals information concerning:
 1. Political affiliations;
 2. Mental and psychological problems potentially embarrassing to the student and his/her family;
 3. Sex behavior and attitudes;
 4. Illegal, anti-social, self-incriminating and demeaning behavior;
 5. Critical appraisals of other individuals with whom respondents have close family relationships;
 6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
 7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Parents or students who believe their rights under PPRA may have been violated may file a complaint with ED by writing the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of PPRA occurred.
